

Awarded to:

✓ VISION ✓ IMPACT ✓ CUSTOMER SATISFACTION ✓ TRAINING

This is to certify that EQUANS Kältetechnik GmbH has successfully completed the 2025 ATMOSphere “Re-Approved” Label process. We considered various criteria including company vision, customer satisfaction, measurable impact (data) and investment in training. We are proud to qualify EQUANS as a best-in-class contractor for natural refrigerant equipment and service for the second year in a row.
